DEDICATION What Eddie

Eddie is not only a delight as an individual, but in my twenty years of working with students, I have never had the experience of interacting with anyone as talented and dedicated to the welfare of the College and its students as I have had in Eddie's case.

— Dohn Harshbarger

Eddie is like my life preserver, without him I would not survive, I can not say what he means to me in a couple of lines because he means more than the world to me.

— Bernadette Maher

Life, love, commitment, too, and talent from the start.

Life, love, commitment, too, and talent from the start.

Sr. Barbara Mc Eneany

Serve. Thank you, Eddie, from the start.

Eddie is a big guy in a small body.

- Vinny Bello

I feel that Eddie is a person that gets a job done the right way. Eddie is a very understanding person, as well as reliable. He always looks out for others before himself.

— Jaime Santana

He is a motivated spirit who enhances the lives of all he touches within the Dominican community. This spirit is an eternal flame that will always exist.

- Missy DePinto

Eddie has given me the opportunity to show my skills and he has also helped me get the courage to do things I otherwise

Eddie is my father away from home, my brother I never had, and one of the best friends I have found.
Eddie spoils me as well as disciplines me. I don't picture being here at Dominican without the "Eddie Martinez Difference".

— Denise Donagel "Queen of the Night"

wouldn't have done. I want to thank Eddie for his love and generosity. This one's for you kid!

- Stephanie Pahl

I feel that Little Eddie is my older brother because he looks out for me and would never let anything happen to me or anyone else in that case. Eddie is a good-hearted person, he loves everyone and everyone loves him. You can also go to Eddie with problems because he'll listen to you and he'll solve the problem. I love Eddie Martinez, so should you.

Mike Munafo

"Stylis!

Eddie Martinez is my inspiration. He is the first student I met here at DC almost three years ago and knew I was going to love it. He has encouraged me to be the person I am at DC today. I LOVE YOU ED-DIE!

— Julie Scarpa

I really don't need two sentences, all I need is two words. A FRIEND.

— Anthony Mirante

Leadership is both gift and challenge. Eddie Martinez has demonstrated how much creative, committed, capable and caring leaders can do to bring others to an appreciation of their own gifts and to forge community. Dominican College has been the beneficiary. We are grateful and proud of all that he has accomplished.

Sr. Kathleen Sullivan

THE YEAR IN REVIEW

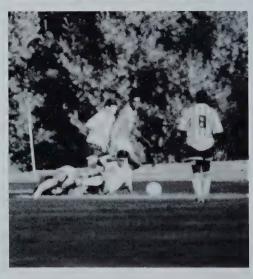

118 Ale

As we wonder thru the paths of life,
We often stop to think of what we have accomplished.
Our goals and our hopes, which we have reached,
And those that are close in the future.
Too much of life has gone by unnoticed,
Too much has been forgotten.

You as the graduates of 1994,
Have accomplished great things.
You will go out into the world,
And make it a better place.
You must all remember,
It is out there for you to conquer,
And you must never let anyone stand in your way.
